

Grundfos honors field warranty claims on small UP circulator pumps only. Small UP circulator pumps are covered by Grundfos' field warranty for 24 months from the date of installation or 30 months from the date of pump manufacture, whichever comes first.

Large UP/UPS, SCALA, MAGNA, and all other Grundfos products are not field warrantable and must be returned to Grundfos for inspection. Please contact us at Support@MidAmericaSales.com or 515-986-9446 to obtain an RMA.

Please complete this form in its entirety, attach the defective pump's nameplate in the area provided above, and ship or mail to:
