Defective Pump's
Nameplate Here

Grundfos honors field warranty claims on small UP circulator pumps only. All small UP circulator pumps are covered by Grundfos' field warranty for 24 months from the date of installation or 30 months from the date of pump manufacture (whichever comes first).

Large UPS pumps (including VersaFlo pumps) and all other Grundfos products are not field warrantable and must be returned to Grundfos for inspection. Please contact us at 515-986-9446 or support@midamgrp.com for a RMA.

Please complete this form in its entirety, attach the defective pump's nameplate in the area provided above, and mail to:
